IX. PUBLIC COMMENT

**Officer Pat Deskins** – Addressed Council asking for reconsideration to rehire Part-Time Office Manager, Nancy Peters. He understood budget cuts with Police Department gave until it hurt. He provided a list of duties performed by Ms. Peters and stated the department would fall in disrepair without this position filled. He also stated the Town had built a bad reputation of running off the Chief of Police either before they start or after they start.

**Officer Scott Fink** – Addressed Council stating he was backing up what Pat Deskins said, that Nancy was an asset to department and asked Council for reconsideration and rehire her. He addressed the stack of paperwork because they don’t know how to enter things that Nancy did, money spent to train Nancy and the need to train Officers to perform work done by Nancy.

**Council Member, R. Richards** – Asked if Nancy opened the office or who opened the office in the mornings.

**Officer Fink** – Responded the Police Officer on duty at the time. Nancy came in at 9:00 a.m.

Mayor Perry closed the public comment session at 7:07 P.M. and opened the consent agenda session.

X. COMMUNICATIONS – No communications

XI. REPORTS
A. Engineer’s Status Report –

Andy Miles – Discussed the Water Plant negotiated scope and pricing of contractor, additional information for consideration from contractor, ability to come in at or below budget, contingencies, four sidewalk bids received within budget and waiting hear back from VDOT.

Reopened Public Comment – 7:12 p.m.

Officer Matt Taylor – Spoke on behalf of Administrator, Nancy Peters. Discussed how crucial she was to the function of the Police Department, without her officers have to do data entry, officers would need to learn the best and efficient way to go through things, taking time away from patrol work, trying to learn data entry and enter reports, i.e. accident, IBR’s, importance of her doing grant work. He asked Council to reconsider the position in the future.

Mayor Perry closed the public comment session at 7:20 P.M. and opened the consent agenda session.

B. Treasurer’s Report –

Vice Mayor, A. Roberts – Questioned the -3 million still on the report.
Town Manager, G. Jones – Provided an explanation to Council and will address the budget differently.
Council Member, W. Salyers – Stated his surprise to see $22,000 over budget in Police Department, asked what contributed to it and commented it was a big overage.
Town Manager, G. Jones – Stated he was right and he would go back over his notes.
Mayor Perry – Explained part was due to two moves to have work done to set up computers.
Council Member, W. Salyers – Questioned, it was done twice.
Vice Mayor, A. Roberts – Stated it was about $1,000 - 1,800, not an astronomical cost and not getting into $20,000. Not $10,000 at a time, he was almost certain of that.
Mayor Perry – Questioned Chief Birchfield if he knew what the charges were.
Chief Birchfield – Responded he knew what it was in old building, but not for here.
Town Manager, G. Jones – Informed Council there is a line by line for that department to compare to where overage came from and stated expenses for the Police Department has been going up quite a bit.
Mayor Perry – Stated the rent is coming out of that too.
Council Member, W. Salyers – Responded only in there for two months rent in last year budget of $1,000, but he would look at it.
Town Manager, G. Jones – Informed Council their need to decide what to do with that building.

C. Codification Committee/Property Maintenance –

Vice Mayor, A. Roberts – Applauded Kathy in getting $900 back in outstanding debt.
Town Attorney, M. Brooks – Informed Council of their need make a decision regarding demolition orders and it would be expensive.

P. **Events Committee**

Vice Mayor, A. Roberts – Stated the committee had met every two weeks to get all in order for the Grillin’ at the Gate and the run, with Greg doing the biggest part of it. He asked for volunteers.

Mayor Perry – Stated she didn’t fill one out (volunteer form), but assumed everyone on the Council would volunteer. She asked if the entertainers had been notified with their spots.

Vice Mayor, A. Roberts – Stated it had been turned over to Brian Hensley, but he did not have a number for the Elvis impersonator. Mayor Perry said she would provide him it.

Vice Mayor, A. Roberts – Explained Mark Freeman’s connections regarding the stage and sound system, the T-shirts has been designed with winning design to be voted on through the Grillin’ at the Gate Facebook page and there will be wild game, along with the BBQ.

Town Manager, G. Jones – Informed Council of need of volunteers for the 5K and where they will be needed and the starting point will be on Water Street for a true 5K.

Vice Mayor, A. Roberts – Asked Council if they know of anyone that would be a sponsor.

Mayor Perry – Informed Council of Betty Spears, widow of Jim Spears, contacted her to pick out a picture, but while there she saw a life size statue of Daniel Boone that Jim Spears did. She informed Council of Betty Spears possibly donating the statue to the Town to have it placed in the front room of Town Hall. Mayor Perry further explained Ms. Spears has two locations to place the statue but preferred it to stay in Gate City. I told her if Council would agree to it that I would talk to our Town Attorney about working up some kind of agreement that it was hers and it was left here and if anything would happen it would revert back to her. So, we’ll leave that up to the Town Attorney for all of that so I would ask just what you think about that. Council agreed to accept the statue.

Sec. 9.1 Definitions

The following definitions shall apply in this Ordinance:

a. Ashes: Refuse resulting from the burning of wood, coals, coke and other combustible material.
b. Brush: Brush is hereby defined as trimmings from bushes or shrubs, as well as tree branches from trimming and/or pruning trees. Not considered to be brush are logs, root balls (not dirt), stumps, grass clippings, flowers, weeds, plants, leaves, lumber or anything in plastic bags or other such containers. Cutting down a tree is not considered to be trimming and pruning and the town will not remove the debris.
c. Building Rubbish: Rubbish from construction, remodeling, and repair operations on houses, commercial buildings, and other structures, including by not limited to excavated earth, stones, brick, plaster, lumber, concrete, and waste parts occasioned by installations and replacements.
d. Bulky Waste: Items such as furniture, carpet, mattresses and box springs.
e. Commercial Waste: Commercial Waste shall mean all waste, combustible and non-combustible, arising out of the operation of business and industry, and all other waste not resulting from the ordinary operations of private residences or households.
f. Garbage: All animal and vegetable waste resulting from the handling, preparation, cooking or consumption of foods.
g. Industrial Waste: Waste from factories, processing plants and other manufacturing enterprises.
h. Metal Items: Items such as grills, bicycles, hot water tanks, washers, dryers, refrigerators and freezers (doors must be removed), stoves, lawn mowers (oils and gasoline must be removed), metal doors, sinks, tubs, metal desks and sheds
i. Ordinances: Ordinance of the Town of Gate City, Virginia, hereafter in effect.
j. **Person:** A person, firm, company, association, or corporation.

k. **Premises:** The terms premises shall mean, land, building, or other structure, vehicle, watercraft, or parts thereof upon or in which refuse is stored.

l. **Regulations:** Regulations of the Town Council of the Town of Gate City, or agent thereof, now or hereafter in effect, and whether promulgated under this Ordinance or other authority.

m. **Refuse:** Solid waste, including by not limited to garbage, rubbish and ashes.

n. **Responsible Authority:** The legally designated authority of the Town of Gate City who shall be authorized and directed to implement and enforce the provisions of this ordinance, or his authorized representative.

o. **Rubbish:** Refuse (exclusive of garbage and ashes) including but not limited to paper, rags, carton, boxes, wood, excelsior, rubber, leather, tin cans, metals, mineral water, glass, crockery, dirt, earth and dust.

p. **Town:** The Town Government or Town Council of the Town of Gate City, Virginia, or the agent thereof.

q. **Waste:** Useless, unused, unwanted, or discarded materials resulting from natural community activities, including solids, liquids and gases.

**Sec. 9.2. Administration**

The collection, removal, and disposition of all waste from premises in the Town of Gate City shall be under the jurisdiction of the office of the Town Manager and the Public Works Department.

**Sec. 9.3 Preparation and Storage of Yard Waste**

a. Preparation of solid waste for collection:

1. All refuse shall be drained free of excess liquids before disposal as far as is practical.
2. Garbage shall be placed in approved solid waste containers or plastic bags prior to placing at the normal collection point. Paper bags, cardboard or wooden boxes that are not designed specifically for solid waste will not be acceptable.
3. Rubbish shall be placed in approved containers.
4. Rubbish which includes grass clippings, hedge trimmings, leaves, or pine needles must be placed in approved container or plastic bags within three (3) feet of the normal curb line and shall not be of excessive weight. Containers or plastic bags should be placed for pick up on your normal trash day pick up.
5. Brush should be placed no more than three feet from the edge of the road. Branches/brush must be cut in lengths not to exceed four (4) feet. One brush pile per week will be picked up. Tree branches and brush greater than the approved size will not be collected, nor will stumps, lumber, fence railings, or posts, timbers, ornamental shrubs, roots, railroad ties, building materials, yard waste or brush from large tree removal, since the collection equipment dump truck cannot handle these items. Larger amounts, requiring the use of the Town of Gate City backhoe, dump truck, fuel, and Town employee(s), can be picked up at a charge to the homeowner or tenant and must be prepaid prior to pick up.
6. Homeowners or tenants are required to call Town Hall to request a work order for bulky waste pick-up. Items such as furniture, mattresses and box springs must be generated by the resident of the Town of Gate City and must be of a size that can easily be handled by the two (2) collection employees, with a maximum of two (2) items per pick-up.
7. Carpet must be cut into sections and shall not exceed four (4) feet and must be rolled, securely tied and shall not be of excessive weight.

8. Homeowners or tenants are required to call Town Hall to request a work order for large metal item pick-up. Items must be generated by the resident of the Town of Gate City and must be a size that can easily be handled by the two (2) collection employees, with a maximum of two (2) items per pick-up. Maximum length per item is four (4) feet.

9. Brush pick-up is a service for the sole use of residents in the town limits and shall not be used by contractors and/or residents clearing lots, clearing lots for homes, private roads, entrances or more open space. Cutting down a tree is not considered to be trimming and pruning and the township will not remove the debris. Brush collection does not include “commercial/independent cuts”, which are trees and limbs cut by a commercial/independent trimmer. The removal of these cuts is part of the service you pay them for.

10. The town will not pick up brush, bulky waste or large metal items from vacant lots, from a property without an established occupied dwelling on it or resident/tenant does not pay for trash pick-up service.

b. Storage of yard waste

1. Each and every owner or occupant of any building, premises, or vacant property in the Town shall keep the same in a clean and orderly condition and shall not permit the deposit or accumulation of Yard waste thereon except as otherwise provided in this Ordinance.

2. Each and every owner, occupant, person, corporation, or person having solid waste shall provide himself with an approved solid waste container(s) wherein all solid waste shall be placed and stored except as otherwise provided in this Ordinance.

3. It shall be unlawful to place Yard waste in any street, alley, road, stream, body of water, or any other public place, or upon private property whether owned or not, unless such solid waste is place in an approved container or otherwise provided for in this Ordinance.

Sec. 9.4 Approved Yard Waste Containers

a. Except as otherwise provided in this Ordinance, each person, firm, corporation, occupant, household or owner shall place all solid waste in an approved container. The basic solid waste container shall be of not more than 50 gallons, not less than 10 gallons capacity, and constructed of either metal or plastic and shall have a close fitting lid with a minimum of one handle on the lid. The maximum weight allowed for container and contents shall not be of excessive weight.

b. All solid waste containers used in the Town shall be brought into compliance with the provisions of this ordinance within six (6) months of the effective date of the Ordinance.

c. Solid waste containers shall be kept in a sanitary condition at all times.

Sec. 9.5. Collection Points and Frequency of Collection

a. Collection point

1. Yard waste containers, for the purpose of collection, shall be placed at ground level, and otherwise made readily accessible to the Town’s collection crews. Containers
shall be placed within three (3) feet of the normal curb line or immediately adjacent to the alleyway in the case of alley service, or as otherwise directed by the town.

b. Frequency of collection.

1. The town will collect yard waste from residential units and residential areas once each week.
2. Schools, certain commercial, certain industrial and institutional will be provided more frequent collections as deemed necessary by the Town Manager with agreement from the owner, occupant, person, or corporation.
3. The town will observe certain legal holidays, in which case the collections scheduled for that day will be delayed, however, in most cases, the collection will be made within two or three working days after the holiday.

Sec. 9.6. Unacceptable Yard Waste

The following refuse shall be considered to be not acceptable for the collection or disposal by the Town of Gate City.

a. Dangerous materials or substances, such as poison, acid, caustics, infected materials, explosives, drugs, paint containers, biological wastes, medical waste and unprotected syringes.
b. Materials resulting from the repair, excavation or construction or destruction of buildings or structures such as earth, plastic, mortar, roofing materials, drywall, and wood.
c. Materials which have not been prepared for collection in accordance with the regulations.
d. Unusual quantities of solid waste resulting from industrial processes or agricultural processes.
e. Junkyard waste such as auto parts, tires, tires with rims, oils and fuels.

Sec. 9.7. Control of Private Collections

No person, firm, or corporation shall engage in the business of collecting, hauling, transporting or otherwise disposing of yard waste in the Town of Gate City without first obtaining a permit from the Town Manager. The holder of such permit shall conform to all ordinances and regulations of the Town, the state of Virginia, and the Federal Government, and any special regulations, or standards as set by the Town.

Sec. 9.8. Mandatory Services

All residents, persons, occupants, commercial establishments, and industries must subscribe to the collection services offered by the Town of Gate City.

Sec. 9.9. Special Collection Services

a. The town will, upon request and based on a first come, first served basis, provide certain special collection services, including the collection of rubbish, ashes and certain building rubbish as herein defined.
b. No tree limbs, brush, building rubbish or other materials will be collected by the Town if said materials are produced as a result of a contract whether written or verbal, whether for hourly wages or lump sum. Persons, firms, or corporation engaged in the provision of services which
result in the production of such materials must provide a means for disposal of these wastes. The removal of these cuts is part of the service you pay them for.

c. Ashes, as herein defined, will be picked up in accordance with a. of this section, and will not, under any circumstances, be picked up by the regular garbage or sanitation truck.

Sec. 9.10. Collection Charges and Billing

a. Collection charges

All collections, except schools and other publicly owned buildings and facilities, shall be charged at the rate of $10.00 per month for once per week or other regular collection services. Business shall be charged at the rate of $15.00 per month for three per week or other regular collection services.

b. Billing

All collection charges for normal collection services shall be billed with the water and sewer billing of the Town. Special collection services will be billed by the statement of the town for services performed.

Sec. 9.11. General Provisions

a. It shall be unlawful for any person to scatter, place, or burn any refuse, or hazardous and/or industrial wastes upon or along any public right-of-ways, stream, body of water, or upon any other public place within Gate City unless permitted by law.

b. No person or firm shall haul, transport, or otherwise convey any refuse or hazardous or industrial waste within Gate City unless the same is contained in covered receptacles or is otherwise secured either to or within the vehicle so that the said waste matter does not fall or blow off or out of the vehicle hauling the same.

c. No burning of solid waste shall be allowed, except organic waste from plants grown or originating on the property of the owner.

d. No person shall turn over or upset the contents of any waste container on any street, sidewalk, or other public place, nor shall any person throw or scatter solid waste, or cause the same to be thrown or scattered in any street or public place.

e. Public waste containers placed on sidewalks, streets, parks, and other public places, are for the sole purpose of waste incidental to the uses in the places and not for the disposal of waste from any residential or business place.

f. All commercial establishments which sell or provide food are required to collect and dispose of food generated grease separately from refuse, recyclables and wastewater. Grease is to be collected in a leakproof container kept inside or outside the establishment.

Sec. 9.12. Removal of Trash, Garbage, Etc., from Property

1.
