V. COMMUNICATIONS

A. Black Diamond RC&D - Assign-A-Highway Program

The Council received a communication from Blaine Delaney regarding the Assign-A-Highway Program. He promoted the program and believes it will go national in time. He explained an overview of the program and how it worked for Norton, VA. He provided an informational packet for the Council to examine. Mayor Jenkins thanked Mr. Delaney for coming to the meeting.

B. Mr. and Mrs. Carver - Cancelled
The Council received a written communication from Karen Burke regarding her water account. She explained how a water leak affected two consecutive water bills. Mayor Jenkins explained that she had had an adjustment on her first bill and wanted an adjustment on her second bill as well. Mayor Jenkins moved the issue to New Business.

A. Daniel & Ericka Wells

The Council received a communication from Daniel and Ericka Wells regarding a water leak at their residence. Mrs. Wells explained how the water leak affected two consecutive water bills. She had an adjustment on the first bill and requested an adjustment on the second bill as well. Mayor Jenkins stated no action could be taken at this time and the issue would be moved to New Business.

B. Robert Barker

The Council received a communication from Robert Barker regarding the reimbursement of the Quillen Heights subdivision for fifty percent of the sewer bills. He explained how three houses in Hunters Crossing have water and sewer, but are not paying the developers. He mentioned that his brother had spoken with Randall Hurt and the developer had tied into the same line. He requested twenty-five percent of the fifty percent Mr. Jennings receives from the sewer revenue.

Council Herron asked if the developer had permission to hook on through Quillen Heights. Mr. Barker said no.

C. Wallace W. Ross Jr.

The Council received a communication from Wallace W. Ross Jr. regarding the 07/08 town budget. He asked if the budget was accurate enough for the town to operate. Mayor Jenkins said the budget was as accurate as possible from the info the town had received.

Wallace W. Ross Jr. asked how the Red Hill Rd. project was being funded. Mayor Jenkins explained that only income is received from the Red Hill Rd. project. Council Herron explained that Red Hill Rd. is funded by a grant. Mayor Jenkins mentioned the HDC grant and Mike Carrico explained that the Manville/Red Hill Rd. is a single project under the grant. Mr. Ross also asked about Hunters Crossing and Mike Carrico explained that there is no grant for that project.

Wallace W. Ross Jr. mentioned the VDOT snow removal in the budget and asked why the budget amount decreased for that item. Mayor Jenkins explained that the town has a contract with VDOT and VDOT pays for whatever the town removes. Mike Carrico explained that VDOT pays for whatever the town clears off of the streets.

Mayor Jenkins explained that the Council had previously held a budget hearing. Mike Carrico explained that the 07/08 budget was approved before the fiscal year started on July 1st. Mike Carrico said the budget is in place for 07/08 and a Special Budget Hearing/Public Hearing was held previously.

Wallace W. Ross Jr. asked about the Red Hill Rd. project. Mike Carrico explained that the project met state requirements and had the income criteria.
Wallace W. Ross Jr. mentioned how a previous Council had voted to take care of the maintenance of Cleveland St. He said the maintenance was not being done and asked who he had to speak with regarding the issue. He asked about Mr. Parkey in relation to the trash pick-up. He asked about the new trash criteria.

Wallace W. Ross Jr. asked about the street being opened up that he had mentioned at a previous meeting. Mike Carrico explained that he had not pulled the maps yet due to an illness and a death in the family. Mike Carrico said he did look at the area and said it seemed as though a road had been there in the past.

Wallace W. Ross Jr. discussed a map showing the sewer line and asked if it should be submitted to the state for possible federal funding. He asked about Gravel St. and Pine St./Pine Dr. Mike Carrico explained that the 911 office did their own mapping and that he should check with Tim Addington.

Wallace W. Ross Jr. asked about the street budget in relation to the maintenance of the east side and west side of town. He said the streets on the east side of town are worse than the streets on the west side. Mike Carrico mentioned that the parking lot behind his office and Broadwater Drug is one of the worst streets in town. Mayor Jenkins said there was not a lot of money budgeted for street paving. Council Hurt said VDOT only allows so much money to fix the streets.

D. Beverly Robinette

The Council received a communication from Beverly Robinette regarding the installation of benches in town. She explained that the elderly and handicapped have no place to stop and rest. She said that not everyone has a vehicle. Mayor Jenkins said the town has looked into installing public benches.

E. Debbie Kindle

The Council received a communication from Debbie Kindle regarding notification for the new garbage ordinance amendment. Mayor Jenkins explained that the notice was advertised in the Kingsport Times News twice. Debbie Kindle mentioned that she did not see an advertisement in the Scott County paper. Lynne Moore explained that the Kingsport Times charges less for advertisement than the Scott County paper. Council Cassell said something had to be done because information was not getting out. Mayor Jenkins suggested putting a message line on the water bills for notices. Debbie Kindle commended Mayor Jenkins for riding the trash truck.

F. Wallace W. Ross Jr.

The Council received a communication from Wallace W. Ross Jr. regarding notices. He suggested that notices be posted in both newspapers.

X. REPORTS

A. Treasurer Report

Ronald Bostic, CPA thanked the Council for the opportunity to speak with them. Mr. Bostic discussed the transition to the Bright system. He explained that 2006 was a very involved year for the town’s finances. He said the Council should appreciate Treasurer Cindy Coates for all of her hard work. He summarized the Town of Gate City’s financial report for the year ended June 30, 2006. He explained that the water and sewer are under the control of the Council. He explained that the town had a positive change in net assets. He explained that the water and sewer rates had to be raised because money was being lost. He explained that grants are considered income. He explained that a budget is required by the state of Virginia, to be used a plane/guide for reference, and is at best, a guess. He explained that just because something is in the budget, does not mean the money is actually there. He said it is typical for sewer systems to lose money. He went over several pages of the report in detail. He
said there is no perfect system of internal control. He said an error would be found quicker now than in the past. He explained that the billing system is not as user-friendly as it could be, but that it was great for real estate taxes. He said the Windows platform would improve accessibility.

*Mayor Jenkins addressed the water bill issues from earlier which would have been under New Business.
