I. PUBLIC HEARING CALL TO ORDER

Mayor Jenkins called the Public Hearing to discuss the portion of the Community Improvement Grant within the 100-year Floodplain to order at 9:07 a.m.

II. PUBLIC COMMENT

- A. Chris Starnes- Chris Starnes from Lenowisco said the public hearing is basically a formality of the grant process. The reason for holding public comment is because people sometimes do not want to put money into something that will flood the following year.

Mayor Jenkins said there would be a meeting with Department of Housing and Community Development representatives at 1:30 to further discuss the grant process.

III. ADJOURN

Mayor Jenkins adjourned the meeting at 9:11 a.m.
