III. Purpose of Meeting

- * Consideration on proposal from Chief of Police to apply FLSA to Police Department Schedule.
Chief of Police, Tom Smitley came forward to speak about the Federal Labor Standard Act. He states that the FLSA allows a police officer to work additional hours without overtime kicking in. He mentions that the FLSA would help also in the officers having to attend court and that they work with a compensation package. Tom also states that this would give them for example, at a 5% pay increase, about \$50 extra dollars every payday. He said that using the FLSA money that it will cover the overtime and he thinks using this that it will be able to eliminate the overtime issue. He said they had spent about \$21,000 in last years overtime and wants to save the overtime budget for a maybe some type of disaster. He mentions that the Gate City Police Department's pay scale is lower than the county, he wants to have better control of the overtime budget and keep the police on the street.
