X. COMMUNICATIONS

XI. REPORTS (All reports given will be included with your packet. Any questions about the reports will need to be discussed with the department head PRIOR to the meeting.)

A. Engineer’s Status Report-Matt Clabaugh, Mattern & Craig Engineers, provided update in his report on Jackson Street Sidewalk, Sanitation Authority, Sewer GIS Phase I, Phase II, Phase III, Leak Detection (Council Member Robin Richards interjected a question concerning meter readings’ loss of accuracy every one to two years to which Greg Jones responded that this refers mainly to mechanical meters. The Town’s residential meters are digital and the commercial meter upgrade will include digital meters, thereby eliminating the loss of accuracy), VDH Funding Applications, Downtown Striping, Commercial Electronics Sidewalk, and PSA Intermunicipal Sewer Agreement. Prior to concluding his report, Mr. Clabaugh stated that he and Calvin Clifton with Mattern & Craig would be attending the 2017 Legislative Meeting January 25-27, 2017.

B. Manager’s Report-
Greg Jones provided update in his report on Water Treatment Plant Upgrade Project, East Jackson Street Sidewalk Project, Crosswalks, Pedestrian Signs, and Parking on Jackson Street, Dog Park, King Ford Property, Events (current update on Events: Clinch Mountain Musicfest is scheduled for June 17, 2017, Kickin’ Back at King Alley will be changed from a weekly event to a monthly event to be held on Saturdays from 6:00 p.m. to 12:00 a.m. and scheduled for July 15, 2017, and August 12, 2017; Tailgate City will be held September 9, 2017). Question arose concerning the closing time for the Kickin’ Back at King Alley at 12:00 a.m. and Michele Brooks, Town Attorney, stated she would research and report whether closing time will need to be 11:00 p.m. or 12:00 a.m. as scheduled.
Greg Jones further reported an update on Municode Project, DEQ Meeting, addition of two new businesses in town, Employee Appreciation Lunch, and Mountains of Music Homecoming Press Conference.

C. Council Reports (Any new business from Committees that needs to come before the Council.)

Allan "Cotton" Roberts—Asked if a portion of the Estil Cemetary funds could be placed into a Certificate of Deposit for 60 months in order to earn some interest (suggested $100,000 of the $148,000 total funds be placed in a CD). Michele Brooks, Town Attorney, is to review and advise Council. Mr. Roberts also reported on behalf of Gate City Frontier that the old theatre building has been inspected and the whole area is contaminated with asbestos. The asbestos will need to be removed professionally and is securing estimates to be bring before Town Council.

Wallace W. Ross, Jr.—Passed to council members copies of a letter dated 7/12/16 (copy attached hereto) from Mr. Ross concerning his removal from three committees and wondering why a response to his letter has not been submitted. Mayor Perry explained the town is in a new council term and committees may be changed from the previous term. Mayor Perry polled council members who stated this issue had been previously discussed and settled. Mr. Ross also stated his concern about some of the street lights in town being out and concern about the cameras at the Water Department not working. Mr. Jones stated he has been to the Water Department and the cameras are working correctly.

Ron Kindle—Stated for the past two monthly council meetings, the Work Order Detail Sheets have not been included with the Public Works Report and also there was no Property Maintenance Report. Michele Brooks stated the Town currently does not have a full-time Property Maintenance person. The absence of the Work Order Detail Sheets was an accidental error on the part of the Deputy Town Clerk (Lisa Loggans).

Robin Richards—Nothing to report.

Roger Cassell—Stated there were some issues with distrust and things not going as they should with Gate City Frontier in re: two members about whom Council was concerned. One has now resigned and the other will hopefully resolve itself in the near future. The organization appointed Craig Gardner as the New Director replacing interim Director, Greg Jones. Mr. Gardner is a retired engineer from Dupont and has acquired significant experience with community planning. Mr. Cassell stated Mr. Gardner is going to implement an immediate plan and a 5-year plan of goals to be accomplished. Council Member Roberts provided update that Mr. Gardner met with Kitty Barker, Heart of Appalachia, and Mr. Cassell further mentioned that Joey Rumley is back on board. Mr. Cassell said the Gate City Frontier is trying to find new members and asked council members to encourage business members to actively participate. He also noted that on future events, the Town could advertise as “Town of Gate City in conjunction with Gate City Frontier” in order to get the name before the public and secure funding to assist with its operation.

D. Sanitation Authority—Roger Cassell stated there is nothing to report. Sanitation Authority has not met since last council meeting; and meeting frequency has been changed from monthly to quarterly. Next scheduled meeting will be January 9, 2017.
