Sanitation Authority: No update, awaiting next meeting.

DEO Sewer I&I Rehab Job: Final plans comments have been addressed and turned into DEQ for final approval. We have received VDOT approval to advertise. All easements have been delivered to the Town for acquisition (all acquisition will have to be complete before advertisement). The Virginia Marine Resources Permit is under review, we expect permit approval shortly. The “Certificate to Construct” has been approved by DEQ as well as the Categorical Exclusion. VRA has indicated they will not issue a commitment letter till they review the most recent audit, which is scheduled to be completed shortly.
**Water Treatment Plant Upgrades:** Bids were accepted Tuesday, October 17th at 3:00 at Town Hall. The apparent low bidder was T&B Contractors of Bristol at $387,000. The bid package has been sent to VDH for approval as well as a request for additional funds in the amount of $34,460 at the same terms of the original funding package. These additional funds will allow the Town to install the additive bid item (Baffle Curtains) and provide a contingency amount of 5% for the project. This additional funding has now been approved. We can award the project once Gate City obtains the needed letter of credit to satisfy VDH requirements. Project precon was conducted Thursday, May 3rd at 2:00PM at Town Hall. NTP will be issued when audit requirements are met.

**Asset Management Plan:** M&C to submit a preventative maintenance and operational plan for the Town to extend the life and performance on their assets to VDH. The plan will also include an inventory of all the Town’s assets associated with its waterworks system. M&C will finalize the plan as the WTP Project gets underway in the next couple of months.

  - Spoke with Town Manager Greg Jones and referred speeding and traffic concerns to VDOT.
  - Reply from VDOT: study conducted on crash history and revealed only 2 incidents within the study.
  - Asked if possible for one-way street designation.

  - Mayor Frances Perry mentioned a customer hotline for concerns/complaints to VDOT.
  - Resident mentioned possibility of speed bumps; not feasible per VDOT.

  - Another event planned for July: to be announced on June 16.
Wallace W. Ross, Jr.:  
- **Streetlights**  
  - Mentioned there were several street lights out on Jackson Street, including a section near Quillen Hardware.
  - Concerned that bulbs are out in several of the streetlights.
  - Council Member Robin Richards said it was impossible to have all bulbs working, given the number of lights in town.
  - Vice Mayor Roger Cassell also said it would take a full-time employee to changing bulbs to ensure 100% operation.
  - Mr. Ross asked if the Town Crew could be placed in charge of this – Mayor Frances Perry reminded Mr. Ross that the Town Crew have many other responsibilities and directed Mr. Ross to the Public Works Report.

- **Curb Painting**  
  - Mr. Ross mentioned the need to maintain yellow and blue markings on curbs for no parking and handicapped zones.
  - Town Manager Greg Jones said the reason this is not being addressed is the Town is awaiting the replacement and installation of handicapped accessible handrails. The painting of the curbs would not be feasible if the construction and implementation would cover or require the repainting of these zones.

- **Grass**  
  - Expressed concern over amount of time taken to cut grass near the courthouse.

- **Municipal Parking Lot**  
  - Asked about funds received from parking lot/flea market. Advised Fire Department submits monthly check for portion of funds to the town.

  - Asked if the Town qualified for another award in February.
  - Mayor Frances Perry said the Town Manager accepted the award and had a picture in the Scott County Virginia Star.
  - Vice Mayor Roger Cassell said this was done in one day, and usually takes three – which saved money.
  - Mr. Ross said there was more to this meeting than just picking up an award and questioned whether there was an opportunity to meet with other committees or groups for discussion.
  - Vice Mayor Roger Cassell said he had seen the schedule, and Mayor Perry directed Mr. Ross to address any further questions at a later time.

Ron Kindle:  
- **Beer Garden/Beer Sales at Events**  
  - Requested discussion and possible vote by Council concerning numerous complaints on beer sales at Town events.

  ▪ Vice Mayor Roger Cassell said the Sanitation Authority was attempting to finalize the construction on the DEQ Line project, with plans to do more smoke testing.

    ▪ Town Attorney Michele Brooks indicated there were numerous reasons as to why Property Maintenance did not move as fast as people would like. Items such as pending litigation, foreclosures, inability to identify property owners, etc.  
    ▪ Much discussion on what could and could not be done. A listing of properties with pending action to be compiled.
