When the contract is fully executed we will issue the Notice to Proceed for July 16th.

Discussion: Town Manager Greg Jones explained the Scott County Parks and Recreation Department has submitted a request to discharge firearms at the Golf Course to assist with a bird nuisance. SCRD has obtained and submitted appropriate permission and documentation for the Department of Game and Inland fisheries for this. Questions were asked concerning who would be discharging the weapon, and the appropriate documentation and permitting of responsible parties. Town Attorney Michele Brooks suggested a form be prepared indicating the permit holder and authorized individuals responsible for discharge. Question was also raised concerning if a pellet gun were permitted. Town attorney Michele Brooks said a pellet gun – and even a bow – are considered firearms and would need to be appropriately permitted.
