Annual Backflow Device Inspection notices have been mailed to affected business. Business will have until October 31, 2018 to submit complete inspection.

We had a significant rain event on September 27th, 2018. The rain appeared to be focused on the west end of Town. Grogan Park was flooded. The park received road damage and the mulch was washed away. The Town Crew has repaired most of the damage. I met with LENOWISCO Planning Authority to see what avenues we can pursue to help mitigate flooding issues. I have reached out to DEQ, but so far, I have not received a response. In addition to the flooding, the drainage issue on Water Street caused a flooding issue to Broadwater Trading Company. XIII. NEW BUSINESS

• Mr. Stephen Grayson:  Barking dogs complaint; Noise Ordinance

Mr. Stephen Grayson stated that he met with Town Attorney Michele Brooks, Chief Terry Sivert, and Town Manager Greg Jones about the Town Noise Ordinance. Mr. Grayson stated that his neighbor has a Lab and a Golden Retriever that barks and he has not had a good night sleep in over a year. The dog does not bark continuously but does bark when a wild animal comes by. Mr. Grayson stated that he has called law enforcement several times, but the noise ordinance is not being upheld. Town Attorney Michele Brooks stated that its up to the Officer responding to determine if the Noise Ordinance has been violated. Council Member Roger Cassell stated that he agreed with Mr. Grayson. Council Member Roger Cassell stated that he doesn’t understand why we debate these ordinances but everyone from dispatch on down says that we can’t enforce. Why do we even waste our time passing the ordinances? It’s pretty cut and dry. Town Attorney Michele Brooks reiterated that the Police Officer has to make that determination. Town Attorney
Michele Brooks stated that the issue that has been reported to her does not warrant a criminal violation. Council Member Allan “Cotton” Roberts asked if the violation is criminal or civil? Town Attorney Michele Brooks responded that this issue is a civil issue between the two neighbors. This issue is a dog barking when it sees another animal. It is not a continuous barking. Mr. Grayson responded that the ordinance states frequently or habitually. Mr. Grayson stated that he considers the barking as frequently. Council Member Roger Cassell asked why our officer can’t talk to the neighbor? Council Member Allan “Cotton” Roberts stated that he sympathizes with Mr. Grayson and would like to see some action on it as well. Council Member Roger Cassell asked if someone has talked to this person yet? Town Attorney Michele Brooks stated yes. Chief Sivert stated he talked to the neighbor. The neighbor stated that if the dogs start barking, he will get on to the dog and he will stop barking. The officers are responding to the complaints. They have tried to listen with the windows rolled down, but they haven’t heard anything. Mr. Grayson stated that the Police Officers can place monitoring or recording devices on the property. They don’t have to be present. Chief Sivert stated the dog will bark once and stop. It hasn’t been deemed to be a Noise Ordinance violation. Mayor Frances Perry asked Town Attorney Michele Brooks if an officer has to hear to the dog before a summons can be issued. Town Attorney stated that was correct. A Police Officer has to witness the violation before a uniform summons can be issued. Mayor Frances Perry stated that the point needs to be made that the Police Officers are doing their job and stay within the limits that they operate by. Mayor Frances Perry stated that Council will continue this discussion in Closed Session.
