# **GATE CITY, VA**

**Help Our Businesses Get Back to Business!**

### **Disclaimer**

The information gathered in this guide comes from various sources including updates on websites, social media, as well as confirmation from various business owners and management. If there is incorrect information, please inform us and we will be happy to update it.

If you are looking for ways to help our local businesses and their employees, here are some ideas:

**1. Buy gift certificates. The best way you can help our local businesses is by purchasing gift certificates that you can use on a future date.**

**2. Stay up-to-date with new store hours and general updates. You can support these businesses by learning new store hours and if they're offering services such as delivery, curbside service, online auctions, etc. Then share this information with your friends, family, and on social media.**

**3. Send edits and updates. With your help, we can keep this document updated and will hopefully be able to use it when COVID-19 is over! There are numerous businesses listed here and it's challenging and timely to keep up with each establishment as things change rapidly by the day. If there are any businesses that were left off or there is updated information, please email [townclerk@mygatecity.com](mailto:townclerk@mygatecity.com)**
