UNFINISHED BUSINESS:

- 1) Mr. Jones reported that V-Dot has approved the placement of a stackable split rail fence on the US Rt. 23-N side of Gateway Park. The fence will be placed thirty (30) feet from the outside white line on the edge of the roadway. He will have the bid request placed on the Gate City Town Council meeting agenda for August 15, 2018.
- 2) When the remaining wooded area along the south side of the proposed new dog park is cleared, we can move forward with identifying the location of the fencing.

NEW BUSINESS:

- 1) Mr. Kevin Guyer requested that Planning Commission approve a home business permit for a welding and metal shop at his home at 1234 W. Jackson Street. Because this type business does not conform to stated home occupations in the Zoning Ordinance, Mr. Guyer's original application was denied. Mr. Guyer was asked to obtain and supply to Commission a copy of a Certificate of Insurance, from his home-owner's insurance carrier, covering this activity at his home. The matter will be examined further at the next regular Commission meeting.

- 2) Mr. Walter Carter and Ms. Lisa LaForce came before the Commission to request that the un-opened street that divides their properties be closed. The platted roadbed is uncommonly steep and only thirty feet wide therefore it could not be developed to meet V-DOT standards. It does not provide or prevent egress or exit to any properties other than those of Mr. Carter and Ms. LaForce.

After discussion, Jo Ann Castle made the motion that Commission recommend to Town Council that the un-opened portion of Grace Street that lies between Benton Street and W. Jackson Street and between 1024 and 1042 W. Jackson Street be vacated and the property divided equally between Mr. Carter and Ms. LaForce.

Motion seconded by Vickie Roberts.
